## Sustainability Medium-Term Plan

Sustainability-related measures formulated in the Medium-Term Management Plan “PASSION 2026” are summarized in the Sustainability Medium-Term Plan. All members of the Group will work steadily to carry out these measures and take on the challenge of realizing our Sustainability long-term vision.

Under “PASSION 2026” the various measures set out in the Sustainability Medium-Term Plan are grouped together under 3 “P”—which are Planet, Products, and People. We will pursue to engage with our various stakeholders by using this “3P model.”
