

Kuraray Report 2020

For Fiscal 2019, Ended December 31, 2019

In order to **make today better than yesterday,**

and tomorrow better than today,
we at Kuraray have made completely new and
unique things by harnessing the power of chemistry.
Many industries and people around the world now choose
Kuraray's technologies, products, and services.
We take pride in this fact and are deeply grateful to our
customers around the world for making this possible.

Since our founding, we have valued the pioneering spirit.
We continually ask ourselves what we can do for the world of
tomorrow and the people living in it.

“For people and the planet—to achieve what no one else can.”

Passed down through the generations, this has been
our constant motivation.

We still maintain this mission firmly today. It is Kuraray's value
and our driving force.

We continue to cultivate our unique traits, in order to benefit
society and the environment.

Our goal is continual corporate growth, and we have already
taken the next step forward.
